## Tigo Writeboard

Tigo writeboard is a self-supporting, sound-absorbing divider that is both stylish and practical. One of this product's major assets is its wide range of customizability options, which enable users to design ever-new layouts, manage their spaces more efficiently, and create warm office environments or useful training and meeting rooms.

## Armchair

The new seating series, Tario Chair, makes an intentional statement through its character, proximity, and utility. The Tario Chair is unquestionably one of the best illustrations of the clever fusion of craftsmanship, technology, and ergonomics.

## Acoustic divider

With a freestanding acoustic divider, you can increase much-needed seclusion and reduce distractions. These dividers will do the job thanks to their adaptable zipper connectors and freestanding feet, whether you want to divide a single work area into several areas or just want to enclose your desk in privacy panels.

## Bar Table / Acoustic divider

With a freestanding acoustic divider, you can increase much-needed seclusion and reduce distractions. These dividers will do the job thanks to their adaptable zipper connectors and freestanding feet, whether you want to divide a single work area into several areas or just want to enclose your desk in privacy panels.

## Meeting Table 1

The table is the ideal size for kitchens and tiny eating spaces and is coastal and informal. Every square inch extols the virtues of real solid wood, with an ivory cerused finish to softly contrast the wood grain.
