Coffee Table

Nougat

Nougat is inspired by the magical world of The Wizard of Oz.

It is a coffee

table with a sense of magic and wonderful adventure in color and shape.

It merges metal and terrazzo to complement the rich colors with simple design lines. Not only does it provide practical functionality, but it also adds a unique artistic atmosphere to the space, making people feeling placed in the land of Oz.

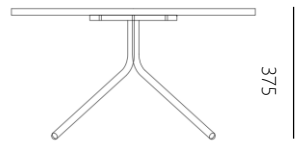

Everyone has a longing for the fairy tale world, in this world is full of colorful fantasy adventures, and the main character, no matter what kind of trials and tribulations they go through, are able to finally arrive at the ideal country of their ultimate dreams.
